**SLO-CAP MEMBERSHIP FORM 2008**

At San Luis Obispo County Child Abuse Prevention Council (SLO-CAP) we are doing all we can with the funds we receive, but we rely on members of related professions, businesses, and members of the community to help us continue our work in preventing child abuse. You can be assured that your contribution will be managed wisely to support SLO-CAP's vital programs and community services. Your membership is tax-deductible as either a professional membership or a donation to a non-profit corporation (501(c) 3 status).

**BASIC ANNUAL MEMBERSHIP**

**\$25.00**

This individual membership helps us present the monthly Public Forums on various topics relating to Child Abuse Prevention, present Mandated Reporter of Suspected Child Abuse trainings and helps us do public outreach and education programs throughout San Luis Obispo County. For a Basic Membership you will receive:

- Voting privileges on SLO-CAP Board Elections and Policies
- Notification of SLO-CAP Public Forums and other meetings and events
- Knowledge that you are part of a community of donors with a commitment to child abuse prevention efforts

Employees can benefit from our monthly Public Forum presentations on various topics and other trainings that will help them in their work with children. Your business or organization will be recognized on our website and in literature we distribute on our various programs.

**PROGRAM PARTNERSHIP**
